WHAT PREVIOUS PARTICIPANTS SAID:

> "High professional standards, approachability, and kindness. I really appreciated that despite the exceptionally high professional level, the speakers remained extremely humble and natural. I will definitely apply what I learned here in my own practice."

> "I really liked that the daily live surgeries always fit the topic perfectly, and that the surgeons always explained everything very clearly."

> "Excellent didactics, well-structured organization, practical applicability, and a friendly, welcoming atmosphere. My thanks to Professor Windisch and everyone involved."
